- VI. **Concept 6:** [Thom H] The Conference recognizes that the chief initiative and active responsibility in most world service matters should be exercised by the trustee members of the Conference acting as the General Service Board.
- VII. **Approval of:**

- VIII. **Financial Oversight Committee – Update** [Duncan L]
- IX. **Open Positions:**

- XII. **Update on Venues for District meetings –** The only option for a venue currently is the Presbyterian Church, in St. Helena; charges \$75/meeting; Crosswalk is not available if we stay on the current District meeting day. Does the District want to move forward with meeting in a Hybrid format at the Presbyterian Church OR establish a sub-committee that would look for other possible venues in Napa?

**Guidelines:** Voting members of District 11 are the District Officers, Chairperson, and current GSR's/Alternate if GSR not present. During discussion, please wait to be recognized by the Chairperson. Remember all discussion should be direct to the chair-person. Please give only your own ideas and refrain from a debate or commenting on what other people have shared. We want all people to feel comfortable with their thoughts and ideas. Finally wait until all have had a chance to share before speaking again.

**Housekeeping Motions:** Housekeeping motions are simple in nature and usually do not set precedence for the District. There is no discussion and they are accepted if no one disapproves of them, otherwise, it goes to New Business for the next DBM.

**XIII. Housekeeping Motion:**

That District 11 pay \$150/year to Napa Recovery Resource Center for the use of their storage facility behind Crosswalk Church. [we will get our own key with paying for the use of storage]

The Finance Committee recommends:

That the Area Committee accepts a clarifying change to the Expense Reimbursement Guidelines, adding the words "or their designees" to the first two paragraphs of section 1.3 of the guidelines. The first paragraph would then read, "Chairpersons of permanent CNCA Committees or their designees receive reimbursement for travel expenses incurred in traveling to the Committee meetings held in conjunction with the Area Committee meetings..." The second paragraph would then read, "When Chairpersons of permanent CNCA Committees or their designees are reimbursed for travel to the Area Committee meeting by another general service entity at a rate lower than that approved by the Area, CNCA will reimburse the difference..." There are no other requested changes to the document.

**PASSED!**

**Alternate DCMC Report:**

This is a report of the activities of District 11 public information and cooperation with the professional community committee.

May 27, 2023, I attended the Area PICPC Committee meeting where we had a presentation of how to reach out to professionals in the community. The presenter gave a brief description of how to communicate with professionals through letters/email and phone contact. We had a great discussion about how cooperation with the professional community has changed through virtual presentations.

This was helpful and timely as we are planning to reach out to several professionals who attended the Fentanyl Town Hall. I am also planning a virtual presentation to professionals at MENTIS, June 14.

Our presence at the Fentanyl Town Hall was successful in that we were able to connect / Cooperate with several professionals who are in direct contact with Alcoholics through their agencies. Many shared with me that they were grateful to have our program represented.

Our District PICPC committee did not meet last Sunday. We did communicate through email as how we will continue to reach out to the organizations where we are sharing literature.

If you are interested in participating in any aspect of PICPC please attend our monthly business meeting at 7PM, the last Sunday of the month.

Thanks for allowing me to serve.

### **Tradition 11 Checklist**

**The only requirement for AA membership is a desire to stop drinking.**

1. In my mind, do I prejudge some new AA members as those who likely will not make it?
2. Is there some kind of alcoholic whom I privately or publicly do not want in my AA group?
3. Do I set myself up as a judge of whether a newcomer is sincere or not?
4. Do I let language, religion (or lack of it), race, education, age, sexual identity or other such things interfere with my carrying the message?
5. Am I overimpressed by a celebrity, a doctor, a clergyman, an ex-convict? Or can I just treat this new member simply and naturally as one more sick human, like the rest of us?
6. When someone turns up at AA needing information or help (even if he can't ask for it aloud), does it really matter to me what they do for a living? Where they live? What their domestic arrangements are? Whether they have been to AA before? What their other problems are?

### **Concept III Checklist:**

**To insure effective leadership, we should endow each element of A.A.**

**—the Conference, the General Service Board and its service corporations, staffs, committees, and executives—with a traditional “Right of Decision.”**

- Do we understand what is meant by the “Right of Decision”? Do we grant it at all levels of service or do we “instruct”?
- Do we trust our trusted servants —G.S.R., D.C.M., area delegate, the Conference itself?
