Hotline Chair: Travis N
hotline@aanapa.org

Heyoooo,

I have been announcing at group level that we have transitioned from the freedomvoice to the grasshopper platform.

Confirmed and transferred all contacts from old platform to the new platform. The hotline could use some more support on Tuesdays Saturday & Sunday for the women's line (there is 2 for each of those days) otherwise the men's and womens on any given day have 5-6 members of the fellowship to field calls.

I would appreciate any feedback to the welcome announcement. I have had the suggestion to add " please be patient wile the call is being routed" to the welcome announcement.

I have a suggestion for the webpage.... Perhaps I may have overlooked the information regarding the meetings being open to the public or if they are closed meetings. I had a gentleman inquire from the hotline and looked and couldn't find if the meetings are open or closed. The closed meetings are listed as closed, but the open meetings are not listed as open.

I would like to attend in person but have to work on Saturdays. Thank you for allowing me to be of service.

All my best,

Travis N

Report May 2025

Business Meeting

1) Website running and secure.

2) AA Napa Wiki

Alex has spearheaded an initiative to build out an internal wiki resource at <https://wiki.aanapa.org> using a free open-source software package called doku wiki.

This is a great new central information resource where Intergroup and District 11 officers can access and contribute documentation about their position such as Pass It On documents, Responsibility outlines, How-To guides, etc. Because it's centralized, searchable and inherently well-structured it should provide a solid foundation for creating a knowledge base that we can build out with information that was previously scattered across various email threads, google drive documents, etc.

Each Intergroup officer has their own dedicated section and we'd love to get everyone involved and active in the project. Please speak to Zane or Alex and we can get you set up with an account and can guide you through making your first contributions to your section!
