

District 11 Business meeting

GSR Report Back

October 3, 2026

Highlights

- District 11 Elections are coming up on Saturday November 7th. These positions begin in new service panel January 2027, and are opportunities for members to get involved in General Service, and to learn how AA operates beyond the group level.
- Visiting Area Grapevine & La Viña Chair, Jose L. shared on service, emphasizing responsibility, discipline, connection, and continued growth; service can start small, includes asking for help, and needs to be balanced with the rest of life. In getting sober we plant the tree of sobriety; with Service it flourishes and grows new leaves, branches, and fruit.
- The FOC Chair presented the proposed 2027 District Budget, and the budget was passed with no disapprovals.
- Beginner's Meeting is looking for a new chair for the next year, possibly sharing the work with an interested co-chair.
